SINGLE USER PRODUCTS

Single User License (SU) "One computer at school, one teacher at home." **$49.95** per Single User license. An additional $5 for a DVD.

Single User Replacement/Upgrade (SU R/Up) This is an upgrade to an existing Single User license. With this alternative, you can change to a different font family, replace your old floppy disks with current materials, or get new media when you can't find the original floppies or CD. We charge **$20** total, An additional $5 for a DVD.

Orphan Upgrade (Orphan) Your school has a Site License but isn't interested in upgrading, or you have changed schools and the new one doesn't have our fonts. We need to verify the school information you provide. A download only is $20, for one font family, either Mac or Windows. If you want a DVD, the cost is $25.

Homeschool License Upgrade (HS R/Up) This is an upgrade to an existing Homeschool license. With this alternative, you can change to a different font family, replace your old floppy disks current materials, or get new media when you can't find the original floppies or CD. We charge **$20** total, An additional $5 for a DVD. Note that this upgrade also includes the popular D'Nealian, Zaner-Bloser, and Specialty/Decorative styles.

SITE LICENSE PRODUCTS

Site License (SL) "All computers at school, all teachers at home, includes Specialty and Decorative fonts." **$300** per Site License. Two identical disks, one User Guides. (Note: The .pdf form of the User Guide is installed automatically on the user's hard drive.)

District Special Ed Site License "All Special Ed employees (including OTs, PTs, and other related services) on all the computers they use in any school, and at home. Classroom teachers are not covered." **$300** for all the district's Special Ed personnel. Two identical disks, one User Guides. (Note: The .pdf form of the User Guide is installed automatically on the user's hard drive.)

District License Buy a Site License for each *elementary* school in the district (**$300 per school**), and the district is permitted to install our fonts on all the computers at every school (elementary, intermediate, middle, high, alternative, ...), and all the teachers may install the fonts on their home computers.

SL Upgrade If your school already has a Site License, and wants new material or has changed to different handwriting style (or, ahem, has lost the original floppies or CDs), we have a Site License upgrade package for **$100**. Two disks, one User Guide. (Note: The .pdf form of the User Guide is installed automatically on the user's hard drive.)

ORDER INFORMATION

The Teacher Pack disk contains all of our font families. You may install any or all of the font families.

Which font family? If you know which font family, check it below (this information is for our records). If you don't know which font families you will use, that's ok - we'll send you a sample sheet that shows all of the font families. All of the sample sheets are also on the disk, in the Samples folder.
